My dear Mr. Secretary:

Thank you for your letter of 25 January 1951, concerning the installation of a 500 KW medium wave transmitter on Okinawa, and forwarding the informal agreement of 19 December 1950, which had been worked out between representatives of the Department of State and those of this agency.

This agreement is accepted as a basis for the installation of the 500 KW transmitter, and it is understood that after a period of successful operation the strength of the transmitter may be increased to 1000 KW by mutual agreement.

Sincerely,

Walter B. Smith
Director

The Secretary of State
